

Math & Science Center at Camp Dellwood

Do you want a break from planning troop meetings? Bring your girls to the Math and Science Center! During the school year the Math & Science Center has programs for all grade levels. Some programs may even provide your troop with the opportunity to earn a recognition or patch while having fun and learning. Troops may be combined to make the minimum girl requirement, so be prepared to meet new people and make new friends!!

How to register...

All Math and Science Events are prepaid events, and registration closes two weeks before the program or earlier if Maximum has been met.

1. On-line via E-council <https://www4.e-council.net/code/onlinereg/?council=434> at our council website at www.girlscoutsindiana.org
 - Click the Program heading to the left.
 - Then click on the Register Online link at the bottom.
 - This will take you to the E-council online page.
 - Next click on Program Events and this will take you to a calendar page with all the programs listed.
 - Find the date and time of the program you want to register for and sign up! (You must have a credit card to sign up online.)
2. Or you could fill out the Council Registration Form
 - The form and payment can be mailed to: Girl Scouts of Central Indiana, Suite 100, 2611 Waterfront Parkway East Drive, Indianapolis, IN 46214
3. Or the Council Registration Form can be fax in with a credit card number to 317.931.3348

Once your registration is processed, you will receive a confirmation form with direction and any other information you need for that program.

(Due to nature of the programs, No younger or older siblings please.)

We cannot do reservations over the phone. However if you have questions please call or e-mail. Remember.... Registration closes two weeks prior to the event!

Additional Information about the Math and Science Center...

- ❖ Programs fill up quickly! Please plan at least four weeks in advance to schedule your troop's program.
- ❖ Check the website for updates!
- ❖ Registration closes two weeks prior to the event or earlier if Maximum has been met.
- ❖ At the Math and Science Center troop leaders are responsible for maintaining appropriate adult to girl ratios by following guidelines found on page 69 of Safety Wise.
- ❖ Leaders and chaperones may be asked to assist with the program activities!

For questions, please contact Katie Wahlstrom by phone at 317.924.6809 or 877.474.2248 or email kwahlstrom@girlscoutsindiana.org

Girl Scout Daisy

Science of Color (D,B)

Age Level: Girl Scout Daisies and Girl Scouts Brownies

Description of Program: Become a colorologist as we see just how art and science work together. We will be experimenting with color and art. Rainbow's maybe amazing in the sky but you should see them in the Lab! Come and see just how Art and Science blend together. Girls will receive the Arts & Science Fun Patch as we experiment with the Science of Color!

Fee Per Adult: Free

Frog Math (D,B)

Age Level: Girl Scout Daisies and Girl Scout Brownies

Description of Program: Yes you read right, Frog Math! Hop on in to the Math and Science Center as we discover Frog Math. First, we will jump things off with a story from one of the well-known *Frog and Toad* stories, *The Lost Button*. The story will then lead us to sorting and classifying different buttons while using a graphing grid to organize your data. We will also estimate the number of, yes you guessed it, frogs in a jar. Jump on over for some Frog Math, and fun! Girls will receive the Frog Math Patch at this workshop.

Program Location and Address: Math and Science Center, Camp Dellwood, 2301N. Girls School Rd., Indianapolis

Dates and Times:

- Session 1- Wednesday, November 10 from 4:30-5:45 p.m.
- Session 2- Wednesday, November 10 from 6-7:15 p.m.
- Session 3- Thursday, November 11 from 4:30-5:45 p.m.
- Session 4- Thursday, November 11 from 6-7:15 p.m.

Fee Per Girl: \$4
 Fee Per Adult: Free

Bubble Fest (D,B)

Age Level: Girl Scouts Daisies and Girl Scouts Brownie

Description of Program: Bubble Fest is a fun and exciting activity that is “bubbling over” with math and science. You will stand inside a huge bubble, make big bubbles to measure, use different instruments to create bubbles, walls of bubbles will be made and much more! “Pop” on in and enjoy the fun all while earning the Math and Science Center Bubble Fest Patch! Girls will receive the Bubble Fest Patch at this workshop.

Program Location and Address: Math and Science Center, Camp Dellwood, 2301N. Girls School Rd., Indianapolis

Dates and Times:

- Session 1-Monday, December 13 from 4:30-5:45 p.m.
- Session 2-Monday, December 13 from 6:00-7:15 p.m.
- Session 3-Tuesday, December 14 from 4:30-5:45 p.m.
- Session 4-Tuesday, December 14 from 6:00-7:15 p.m.
- Session 5-Wednesday, December 15, 4:30-5:45 p.m.
- Session 6-Wednesday, December 15, 6:00-7:15 p.m.
- Session 7- Thursday, December 16, 4:30-5:45 p.m.
- Session 8-Thursday, December 16, 6:00-7:15 p.m.

Fee Per Girl: \$5
 Fee Per Adult: Free

Girl Scout Brownie

Archaeology Try-it Workshop (B)

Age Level: Girl Scouts Brownie

Description of Program: Come celebrate September’s Archaeology Month at the Math and Science Center by earning our council’s own Archaeology Try-it. You will become an Archaeologist as you dig through the past to find artifacts left from people long ago. You will sift through the unknown trying to find different artifacts. After finding the artifacts you will then be recording and classifying the artifacts. By doing all this you will earn your Archaeology Try-it! Girls will receive the Archaeology Try-it at this workshop. (If you attend the Saturday program, you might want to also sign up for the Computer Ease Try-it held at 12:30p.m. As a reminder, you must sign up for both programs, acceptance into one does not guarantee the other. Bring a sack lunch and earn two Try-its!)

Program Location and Address: Math and Science Center, Camp Dellwood, 2301N. Girls School Rd., Indianapolis

Dates and Times:

Session 1- Friday, September 10 from 6-7:30 p.m.
Session 2- Saturday, September 11 from 10-11:30 a.m.
Session 3- Sunday, September 12 from 1-2:30 p.m.

Fee Per Girl: \$5
Fee Per Adult: Free

Computer Ease Try-it

Age Level: Girl Scout Brownies

Description of Program: Come to the Math and Science Center and see what an Ease working with the computer can be while earning your Computer Ease Try-it. We will be using the Math and Science Center's computers to make a picture, play games, and even see how a keyboard works. You will also see just how computers are used to make our lives easier and how different jobs use computers. By doing all of this you will earn the Girl Scouts of Virginia Council's Own Computer Ease Try-it. Girls will receive the Computer Ease Try-it at this workshop.

Program Location and Address: Math and Science Center, Camp Dellwood, 2301N. Girls School Rd., Indianapolis

Dates and Times:

Saturday, September 11 from 12:30-2 p.m. (If you attend this Saturday, you might want to also sign up for the Archeology Try-it held at 10 a.m. As a reminder, you must sign up for both programs, acceptance into one does not guarantee the other. Bring a sack lunch and earn two Try-its!)

Saturday at the Math and Science Center, you will get the knowledge you need to perform the simulated task of working on a space shuttle and in mission control. We will be making a comet, investigating falling particles, working with acids and bases, and much more! Then on Sunday from noon-3 p.m. we will go to the Challenger Learning Center of Decatur Township to complete our mission. After the mission you will receive the Challenger Learning Center Patch. Drivers will be needed for transportation to the Decatur Challenger Learning Center. Girls will be asked to please bring a snack to share for Saturday

night. More information will follow after registration is received. Fee includes; program, patch, dinner, breakfast, lunch, and snacks.
