Date: August 2, 2010
Re: Girl Scouts of Central Indiana (G.S.C.I) Troop Accounts

Thank you for your interest in First Financial Bank. We are pleased to have been selected by the G.S.C.I. to service troop accounts. When you go to any First Financial Banking Center to set up your account, please note the following:

- First Financial will open a "First Essentials" checking account. The troop will be required to deposit at least \$50.00 to open the account. The first 100 items per month are free. There is a \$.50 charge for each item over 100. (This includes all items: credits (deposits and items contained in the deposits, ACH credits, etc.) and debits (checks, withdrawal tickets, ACH debits, etc.).)
- The bank will order "personal" size checks for you and waive the cost of the first check supply.
- You will not need Articles of Incorporation as they are already on file at the bank and will be provided to the banking center upon request.
- The tax ID number already exists on the bank system under Girl Scouts of Central Indiana.
- The person opening the account will be required to present a valid Indiana photo identification and **MUST** bring a copy of this letter in order to open the account. We will not open an account without a copy of this letter.

For additional questions or concerns, please call our Contact Center at 812-238-6000.
