Improved online magazine order program

- ❖ Girls who choose to do the online program, which includes fun activities and sending e-mails out to friends and family, can now request that an e-mail be sent to them indicating that a customer has placed an order. This is a fun way to track sales progress!

New and improved Nut-E system

- ❖ The Nut-E system you will use to place your troop's nut, chocolate, magazine and incentive order has been improved. We think you will like it.

New incentives and levels

- ❖ Girls will be excited about the new incentives! The levels have been changed to make them easier to understand.

Be a Reader program

- ❖ The program booklet contains lots of great activities to use at your next troop meeting. Be sure and pick one up, free of charge, from your local Girl Scout Showcase.

It can also be viewed or printed off of our Web site in Spanish or English. Go to the Volunteer Training Materials section to make your selection.
