Re: Girl Scouts of Central Indiana Troop Accounts

Thank you for your interest in Old National Bank. We are pleased to be of service.

When you go to Old National to set up your troop account:

1. The bank will open a "Free Community Partner Business Checking" account. The troop is required to deposit at least \$1.00 to open the account.
2. We will order 200 "personal" size checks (club checks) for you and waive the cost of the check order. You will also have the option of ordering a free debit card.
3. You **must** bring a copy of this letter with you to Old National when you open your account. We will not be able to open an account without a copy of this letter.
4. You **must** have a valid picture ID.

Please contact me directly with any questions.

Thank you,

Information for Old National Associates:
- The GSCI Tax ID already exists on our system. The last 4 digits are 6381. Use function TAWKAC (work with customer) to search by the name: Girl Scouts of Central Indiana, Inc. for the full Tax ID.
- Use NAICS code 813410. You DO NOT need to ask for Articles of Incorporation, they are already on file with ONB.
- Add an account title modifier to note the 5 digit troop #
- Add an account alternate so that all bank statements are sent to the troop leader directly. NEVER change the address if using an existing CIF key- add an alternate mailing address once the account is on CBS.
Should you have questions regarding using CIP, Deposit Pro or CBS please contact Deposit Operations. If you have a specific question regarding the account you are opening contact Rachel Dierlam in Cash Management.
