RE: Girl Scouts of Central Indiana

Thank you for your interest in Regions Bank. We are pleased to be of service to your organization. When you go to Regions Bank to set up your troop account:

1. The bank will open a "Life Green Business Checking" account.
2. A debit card will be issued for the account and must be activated.
3. On-line access is only available through your personal on-line banking account with Regions.
4. You will not need Articles of Incorporation. The Girl Scouts of Central Indiana has already supplied them to Regions Bank. The branch where the account is opened will call 317-221-6645 or 317-221-6296 to request a copy of the articles.
5. Please bring the GSCI Tax ID number with you. While the Tax ID number already exists on the bank system, it will be beneficial due to the number of troop accounts on our system.
6. The person opening the account will be required to show a valid driver's license and **MUST** bring a copy of this letter with them in order to open the account.

Please contact me directly at 317-221-6645 or Ellen Brothers at 317-221-6296 with any questions or concerns.

Thank you.
